

ADDENDUM #ONE

Date: March 22, 2010
Project: Purdue University Cherry Lane GPS Monument Relocation - 2010
TSC Job Number: 7696.001
Client/Owner Purdue University
Project Number 8531
Distribute To: All Bidders of record, Purdue University, and The Schneider Corporation

TO ALL BIDDERS OF RECORD:

The following addendum indicates revisions, additions, and deletions from the original bid information, project manual, and construction drawings, dated February 18, 2010. This addendum forms a part of these documents. Acknowledge receipt of this addendum by inserting its number on your bid proposal form. Failure to do so may subject the bidder to disqualification.

GENERAL	
Item	DESCRIPTION
1	Contractors should be prepared for the potential of encountering boulders and rock during any drilling processes for deep drilled monument bracing installation. Please note that the drilling equipment provided by Contractor should be appropriate to drill through boulders and rock as necessary for the deep drilled monument bracing installation. For any additional subsurface information, please refer to the Geotechnical Report, located within the project specifications.
2	Reminder: The trustees of Purdue University will receive sealed bids for the project until 3:00 (PM) local time, on Thursday, the 1 st day of April 2010 in the Parking Facilities Office, Visitor Information Center, 504 Northwestern Ave., West Lafayette, IN 47907.
