BID QUESTION RESPONSES

1. The Bid Form Insert on Page H-1 of the project specifications shows two alternate bids. Sheet M-1 of the project specifications entitled 'Alternate Proposals' is blank. Specification Section 01230-3.1 describes the work to be included as Alternate bids. Please clarify whether the described work is to be included in the base bid and deleted as an alternate or not included in the base bid and added as an alternate.

A: We had wanted two alternate.

2. The Invitation to Bid included in the Specifications indicated that the Common Construction Wages would not be applicable to this project. However, Addendum #1 added a copy of the Common Construction Wage Scale. Please clarify whether these wages are required to be paid as a part of this project.

A: We are to bid with the Common Construction Wages.

3. Specification Section 015000-3.03.F requires a Common-Use Field Office. We don't feel that we will require this for our work. Please clarify if the Owner will not require this.

4. Concerning the work required by Specification Section 11 5900-Exhibit Equipment;
a. Specification Section 11 5900-1.2.A references that the work must be completed in accordance with the 'Design Intent Document'. Is the Design Intent Document the Drawings labeled as 'X'?

A: Yes, the exhibit design intent drawings are those sheets numbered with an X prefix.

b. Drawing X3.0 shows the letters 'Fuel Cells' however, the enlarged elevation on X4.0 shows 'Energy'. Please clarify.

A: Final verified labels will be provided to the selected vendor. Use "Energy" in the bid.

c. Sheets X4.0 and X5.0 show USB chargind station and refer to Detail X.X. Detail X.X has not been provided. Please provide additional information to clarify your requirements for this.

A: There should not be a reference to Detail X.X. The bid includes a USB charging station. Please provide a specification or quote for inclusion of USB outlet charging station.

d. I have not located a schedule defining items labeled;

1. L 01-L 08
2. EX 01-EX 03
3. P 01-P06

A: These items refer to specific label copy, photographs, or artifacts that will be provided to the selected vendor.

e. The 'X' Drawings show a molecule model. What should these be manufactured from?

A: The molecule model may be fabricated or purchased, and may be fabricated from acrylic, resin, or similar.
